# CLUSTER FOR THE ADVANCEMENT OF GAME DEVELOPMENT IN CYPRUS

OPEN EVENT for ALL  
stakeholders in the Games  
industry, research and innovation

FRIDAY June 14, 2019, 11:30 – 13:30 P.M.

RISE offices  
Julia House, 3 Themistokli Dervi Street

RISE, a Research Centre in Cyprus focusing on Interactive media, Smart systems and Emerging technologies invites all local companies, research organizations and other stakeholders to the Games Cluster Initiative of RISE. The games industry is growing rapidly whilst academic research and innovation are flourishing in this area. RISE aspires to develop an innovative cluster of interconnected stakeholders to foster innovation, competitiveness and economic growth in this area. Professor Vassilios Makios is our invited speaker from Corallia in Greece to present a holistic approach for cluster development inspiring innovation and driving excellence (<http://www.corallia.org/en/>). Please join us for this great opportunity that RISE is

The event is open to local companies, research institutions and other stakeholders with interest in joining the Games Cluster Initiative of RISE, as well as to the Press.
