Smart Systems and Emerging Technologies

LET TECHNOLOGY RISE YOU UP!

OPEN COMPETITION FOR
CYPRUS MUSEUMS AND
CULTURAL SITES

MAY 24, 2019, 11:00 A.M.

RISE offices

Julia House, 3 Themistokli Dervi Street

RISE, a Research Centre in Cyprus focusing on Interactive media, Smart systems and Emerging technologies announces an Open Competition for all Cyprus Museums and Cultural Sites interested in incorporating interactive media and emerging technologies in their premises to enhance the visibility of their collections and make visitors' experience more interactive, educational and enjoyable. The winning proposal will be funded by RISE. Details of the Open Competition will be announced during a press conference which will take place on Friday, May 24th, at the offices of RISE Julia House (3 Themistokli Dervi Street) in Nicosia.

The event is open to museum professionals, other interested parties and the Press only.
